20 Plaintiff Lucero Sanchez and Defendant Renown Health (collectively, the “Parties”), by and
21 through their counsel of record, hereby stipulate and agree that the deadline to file the Joint Pretrial
22 Order (“JPTO”), which is currently set for May 10, 2024, be extended for a period of thirty (30)
23 days, until Monday, June 10, 2024.

24 The Parties and their counsel attended a settlement conference on April 10, 2024, but were
25 unable to resolve the case. Thereafter, counsel for the Parties began diligently reviewing the file
26 and the significant number of medical records and other documents produced in the case. More
27 specifically, Plaintiff produced over 2,000 documents while Defendant produced over 8,000
28 documents. Additionally, counsel for the Parties began contacting witnesses to determine their
availability. Notably, the Parties have identified more than 25 fact witnesses and 10 treating
physicians in addition to their respective retained medical experts.

Due to the volume of evidence produced in discovery as well as the number of potential trial witnesses, the Parties are unable to complete and submit the JPTO by May 10, 2024. However, counsel for the Parties are confident that they will be able to complete and file the JPTO by no later than June 10, 2024. This stipulation is made in good faith and not for purposes of delay.
